

**International Academy for Culture, Arts, Science and Technology Charter High School (CAST)  
A 9-12 public high school proposed to be open in Yonkers school district.**

It is the mission of the International Academy for Culture, Arts, Science and Technology (CAST) Charter School to provide students in Yonkers with the academic, social and emotional skills necessary to successfully pursue a college degree and prepare for a professional career path in life. CAST welcomes students from all paths of life with a purpose to develop individual talents and ready them for independent life in society.
